Research gives hope for tomorrow, *Community Cares* give help for **TODAY!!**
FIRST ANNUAL PUTNAM COUNTY ITALIAN HERITAGE FESTIVAL

AUGUST 15, 2010

DEAR FRIENDS OF COMMUNITY CARES,

On September 25 and 26, 2010, Community Cares will be the sole benefactor of the **First Annual Putnam County Italian Heritage Festival**, at Camp Kiwi in Mahopac. It will be a fundraising event to sponsor our many support efforts for families where a parent is struggling with a debilitating diagnosis.

This initial year, the Festival organizers and current sponsors have decided to honor Robert "Bob" Bondi for the work and dedication he provided us with here in Putnam County. Mr. Bondi has gone above and beyond the call of duty many times during his thirty years of service by giving of himself to numerous causes that benefit our county.

This hopefully will be the first of many Italian Heritage Festivals in Putnam County. In addition to our Festival, Community Cares has a Dinner and Silent Auction planned for October 9, 2010 as well many other simple functions including **Dinner** night at Chilis, **Shopping for a Cause** at MACY'S and **Back to School Shopping** at MANDEE. Community Cares knows these events will allow us to continue to support families, those with school age children, with basic services – laundry, cleaning and food.

For more information, please don't hesitate to contact the Community Cares office at the number below.

Thanking you in advance,
Amy Sayegh
